**Information on the processing of personal data
 for verification of the COVID-19 green certifications to enter the workplace**

Ceam Cavi Speciali Srl, located in Monselice (PD) (Italia), in via Lombardia n.20, VAT 02295110288 Fiscal code 01073530394 is required to verify the COVID-19 Green Certification (the so-called "Green Pass"), in compliance with the provisions of art. 9-septies of the D.L. 22 April 2021, n. 52, with the methods defined by the Prime Ministerial Decree of 17 June 2021, making use of the specific app "VerificationC19", for the access to the workplace of people who have to carry out work activities, also with regards to employees of third-party companies in charge of carrying out particular tasks (e.g. employees of the contractor, suppliers, etc.), or company's employees carrying out work activities for third parties. Those who are exonerated from the vaccination campaign are excluded from the obligation to possess and exhibit the Green Pass, but are required to show a specific medical certificate issued in accordance with the instructions provided by the Ministry of Health.

Highlighting how the entry by workers without a Green Pass constitutes a violation of the rule punishable with a specific administrative fine, and how the Company/Body can also answer for violations for not having carried out the necessary checks on the use of the Green Pass by its workers and employees of third-party companies, or for not having defined the operating procedures for carrying out the verification, the following information is released pursuant to Article 13 of EU Regulation 679/2016 (so-called "GDPR") regarding the processing of personal data resulting from the carrying out of the checks themselves.

Owner of the data processing

Ceam Cavi Speciali Srl, located in Monselice (PD) (Italia), in via Lombardia n.20, VAT 02295110288 Fiscal code 01073530394, telephone no. 0429/786400, e-mail privacy.ccm@ceamcavi.it info@ceamcavi.it is owner of the data processing.

Purpose of the processing and legal basis

The processing of personal data is aimed exclusively at the verification, by the Company/Body, as employer, of the possession of valid COVID-19 green certifications (the so-called "Green Pass") necessary to allow its employees and to third party employees who have to carry out work activities at the Company/Body itself to access the workplaces, or even to allow their employees and collaborators to go to third parties' workplaces.

The legal basis of the data processing is constituted by the need to fulfill a legal obligation to which the Data Controller is subject (pursuant to art.9-septies of Legislative Decree no. 52/2021 and in compliance with art.13 of the Prime Ministerial Decree 17.6.2021), as well as to perform a task of public interest or connected to the exercise of public powers, respectively pursuant to art. 6, par. 1 letter c) and e) of the GDPR. Furthermore, the processing is necessary for reasons of significant public interest pursuant to Article 9, par. 2, lett. g) of the GDPR.

Types of processed data

As part of the COVID-19 green certificate verification process, only personal data relating to the aforementioned workers and employees of third-party companies will be processed.

More specifically, the following data will be treated:

- common personal data referred to in the art. 4, n.1 of EU Regulation 679/2016, namely: name, surname, date of birth;
- data related to health, falling within the particular categories of data referred to in the art. 9 of the GDPR, only if they are related to the exhibition of medical certifications for subjects that are exonerated from the vaccination campaign;
- data related to the outcome of the verification of the possession of valid COVID-19 green certifications

It is also understood that, pending the release and possible update of the Green Pass through the national DGC platform, the involved parties can make use of replacement documentation and documents issued (in paper or digital format), by public or private health facilities, drugstores, analysis laboratories, general practitioners and pediatricians of free choice who certify or report one of the conditions required by law for the issue of the Green Passes themselves).

In this case, these documents will be checked instead of the Green Pass, without any prejudice to the Company's right to check the Green Pass itself once the update is made.

Processing methods and conservation of the data

The data will be processed by specifically authorized people, using exclusively the "VerificationC19" app on special smartphones, tablets and thermoscanner devices provided by the Company/Body, which allow only extemporaneous readings of the authenticity, validity and integrity of the certification and also to check the same "Green Pass" through the national DGC-Platform by reading the QR Code shown on the Green Pass itself.

The verification process therefore allows to carry out only data consultation and data display operations. The results of the verifications, related to the possession or not of a valid COVID-19 green certification, returned by the national platform-DGC, will in no way be stored in any analog or digital form, Also with reference to the replacement documentation above, except for the data necessary for carrying out the law procedures relevant to the employees and any administrative pecuniary sanctions provided for by the law itself.

The provision of data is mandatory to access the places where work activities take place, as required by the current legislation; failing this, it will not be possible to access them.

Recipients of the certification data communication

Personal data, processed solely for the achievement of the verification purposes indicated above, and by means of extemporaneous reading only, excluding any form of storage of the same data, will not be communicated by the Data Controller to third parties, except to the personnel office of the company and the data processors appointed for the management of payments, for any measures provided for by the emergency regulations for employees without valid certification.

Transfer of personal data to third countries or international organizations

There are no automated decision-making processes or transfers of personal data to third countries (outside the EU) or international organizations.

Rights of interested parties and complaints

Pursuant to art. from 15 to 21 of the GDPR, the interested parties have the possibility to exercise the rights provided therein, including: the right of access (Article 15), the right of rectification (Article 16); the right to cancellation (Article 17), opposition (Article 21): moreover, in the cases provided for, you can lodge a complaint with the Privacy Guarantor.
