

TABELLE / TABLES

Tabella comparativa cavi / Cable cross reference chart

La tabella comparativa CEAM / SIEMENS / BELDEN / LAPP / HELU rappresenta i prodotti CEAM che sono funzionalmente equivalenti. Alcune costruzioni, codici colori e/o approvazioni, possono variare e non sono indicati. Al riguardo Vi preghiamo di consultare il nostro servizio clienti per maggiori dettagli.

The comparison table CEAM / SIEMENS / BELDEN / LAPP / HELU represents CEAM's products which are functionally equivalent. Some constructions, color codes and/or approvals may vary and are not indicated. For further information please contact our customer service.
